

# VELI MINI QUARTET COUTURE

DESIGN BY ADRIANO RACHELE

The **Veli Mini Quartet Couture** is a dramatic suspension lamp with a single, 32 cm canopy and four cascading spheres. Each luminous diffuser, using volant of unbreakable, patented technopolymer Opalflex® and then printed with a delicate tone-on-tone texture, is **handmade in Slamp's Italian atelier**. The **red wrapped cord**, which can be substituted with a transparent one on request, brings a touch of irony to the elegant and sinuous collection. Its rich and warm light is perfect for both domestic and large public spaces. Every diffuser is fitted with a **magnetic hanging device** for fast and easy maintenance.
