Let nature into your home

Peace and relaxation, the core elements to pursue from modern life. Unica brings the roughness of minerals, the beauty of crystal transparency and freshness of the forest into your world.

Your Unica home helps you keep the right atmosphere at any moment. All day and all night. Any season of the year, your home knows what you need, what you like and how to get you in the right mood.

Unica, brings nature into your home.

Imagine the possibilities

Unica offers vast mix-and-match possibilities beyond just features and functions. The range is expressed in an array of exquisite materials, and attractive finishes. From minimalist white plastic to nature's own elements like stone and wood, you can choose a combination to complete every designed hotel and living room.

“With the Unica range we looked for a form of linear expression, this is in harmony with the purity of modern architecture.”

Mario Ruiz

The designer

Mario Ruiz, a prominent Spanish industrial designer, is the driving force behind the impeccably designed Unica range.

His impressive independent career started in 1995 and he has gone on to create pieces for more than 120 enviable companies and clients worldwide. He has exhibited throughout Europe and Japan and has given numerous lectures in Tokyo, Singapore, New York, Dubai, London and Chicago.

His distinctive style has been acknowledged with over 40 prestigious awards in Europe and the United States. Including Red Dot, Design Plus, Wallpaper Award and ADI-FAD Silver Delta Award, and National Design Prize 2016 presented by the King of Spain and Ministry of Economy. That's why he's been called one of the foremost industrial designers of our time.

Unica around the world

Unica graces the walls of outstanding properties across the world. The range can be found in the world's finest signature hotels and in 40 countries around the globe. With an ever-expanding footprint, your property could be next.

Unica Class

Modern life makes us long for nature, with the original, true and pure building blocks of our existence.

The Unica Class brings the roughness of minerals, the beauty of crystal transparency, and many other sensations into your property and life. It's like experiencing the comforting sight of ocean waves, dust from ochre colored soil, or the chilly hardness of jagged rock.
